

# COLOUR VARIANTS

**Name** MEMORY WALL D250 H275

**Type** wall lamp

**ID** PC881

**Description** The Memory collection awakens the imagination and beckons back to a carefree childhood. The wall and ceiling versions in different sizes, the wide range of color options, and a selection of finishes give this lighting experience a large degree of versatility. The illusion of inflated balloons is flawless right down to the dangling string, which serves to switch the light on and off. This is beauty in its simplest and most persuasive form. The Memory collection consists of ceiling and wall versions in three sizes. There are also sets that allow multiple lights to be combined on a single ceiling canopy. Unlike the other collections, Memory are not supplied with a light source.

**Technical description** The craftsmanship applied in production follows in the centuries-old tradition and experience of master glassmakers. The precision crafting of hand-blown glass instills distinctive, enduring character and outstanding quality in all Brokis products. The glass shades are formed from multiple layers of molten glass, each of which is scrutinized by the master glassmaker prior to being blown into the mold. Up to 70% of the resulting quality is achieved in this stage of production. The triplex opal glass used in the production of the lampshade represents one of the highest quality materials used in the lighting industry. The sandwich combination of two transparent outer layers of crystal and an inner layer of white opal glass between them lend the glass outstanding optical properties, as do the carefully guarded handcraft techniques.

## **Glass Colour**

triplex opal	BAS	CGC39
grey - triplex opal	STA	CGC617
light pink - triplex opal	STA	CGC30
red - triplex opal	STA	CGC579
orange - triplex opal	STA	CGC580
yellow - triplex opal	STA	CGC47
green apple - triplex opal	STA	CGC578
turquoise - triplex opal	STA	CGC601
blue - triplex opal	STA	CGC28

## **Glass Surface**

glossy surface	BAS	CGSU66
acid-etched both side surface (before CGSU67)	BAS	CGSU881

## **Surface finish**

iron chromate - silver	BAS	CCS620
------------------------	-----	--------

## **Ending part**

light switch - black	BAS	CEE778
light switch - white	BAS	CEE777
